Pre-start info

Arrival

Parking at the competition centre will be managed according competition times of the teams and usage of tenting place. Follow directions on arrival!

Registration

1. Make the payment of entry fee. Prepare exact amount if possible.
2. If overpaid, while transfer, corresponding amount will be repaid at registration.
3. Team numbers, safety pins, plastic bags, etc. will be given at registration.
4. Maps will be distributed not earlier then 1 hour before mass start. Collect the maps at the registration place.
5. Make sure the info on the competitor numbers is correct. Most important is the competitor number in the team and SI-Card number. Competitor with particular competitor number in the team must use SI-Card with number written on the bib.
6. Any changes in the team must be declared at the registration.
7. Si-Card will be attached to competitor's wrist by registrars. This must be done between registration and mass start. Competitor visits registration with prepared SI-Card which has elastic band detached. Registrar attaches plastic band and attaches SI-Card to competitor's wrist. Clear and check will be done immediately after attachment.

Start

Mass start will take place from start area. Team announces entering the start area to the start judge, displaying attached SI-Cards and number bibs.

Teams, which are late to the mass start, begin competition after announcement to the judge at the competition centre. Finish time for teams, which are late, are the same as for all other.

Punching procedure is described in Bulletin 3. At the control punches only one team member which team number corresponds the number given on the control station. If any control station is damaged, inoperable or stolen, team must take one paper scrap, which will be disposed at the control place.

If you see water shortage at the water point, we will be grateful, if you send some message to the competition centre.

If the team faces serious problems on the course, make the call to the competition centre and we will manage some solution. It may be the necessity of transportation or any other.
